# Prophecy over Canterbury

.This is something the Lord gave me for the city of Canterbury UK, around a few months ago now. I wasn't sure if or who I needed to give it to but when I saw that you were having prayer for the city felt led to send it to you in the hopes it will be an encouragement.

.I saw lots of Swords the tips of the Swords were planted in the soil all over the land.

# Prophecy over Canterbury-2

•And then I had these words come:

•“For my Word has gone forth in the land, the earth which is my footstool. There will be those that will carry my Word as the Sword and pierce it into the ground, the earth of Canterbury, because the earth of Canterbury is crying out for the manifest Sons of God to arise. I am calling the Warriors in the Spirit, pray for them to rise up and come into their destiny and call to bring revival

# Prophecy over Canterbury-3

•“I want to bring Canterbury forth in my glory as a destination where people can come and experience my glory for I have made this land a stepping stone for others from different countries to receive my hospitality through my Saints, and the people of Canterbury to receive my love, so that they will experience my Fathers Heart, this will be a stepping stone to bring them into their destiny, for Canterbury will be a destiny birther,

# Prophecy over Canterbury-4

•“...where once it was a barren place regarding people seeking my presence it will now be a place of fullness and fruit as my prayer warriors and warriors that wield my Sword (the Word) and establish a covenant of my promises as they put that Sword in the ground. For my glory will come as my warriors in Canterbury go forth and possess that land. Their words rising up with my Words of life, Hope and Regeneration.

# Prophecy over Canterbury-5

•“Their words rising up with my Words of life, Hope and Regeneration. So call them in the Spirit to arise, the time is NOW, as the bells ring out so will my glory and my love spill into the land and the streets. I will also send revivalists there to help. Lift them up in prayer so that Canterbury will come into the fullness of what I have ordained for the land.”
